I've got a district case scheduled in Springfield that day, but I doubt it will go as it is a very recent case. And even if it did, I probably wouldn't be needed until mid-day or later (I will confirm this with the ADA).

Thanks Sonja - my suggestion is do what is easiest for you.. sounds like Pittsfield is first. Are you avail 11/9 if the trial goes to a second day instead?

Good Morning-

I wanted to let you both know that I have two possible cases scheduled for tomorrow, 11/8/11 - one in Pittsfield and one in Fall River. As of the end of last week both were still a go. I'm not sure how you want to work this out. I could possibly be in Pittsfield bright and early, and hopefully testify first (out of order) if necessary, and then wait and see if I get a call for Fall River. Or I could do it the opposite way, though it would add a lot more travel time as Pittsfield is closer to where I live than Fall River is. If either of you have any other thoughts or ideas about this, please let me know. Thanks.
